

Corporate Profile

FTI Consulting, Inc. is a public company traded on the New York Stock Exchange under the ticker "FCN". The Company is a global business advisory firm dedicated to helping organizations manage change, mitigate risk and resolve disputes: financial, legal, operational, political & regulatory, reputational and transactional. With more than 4,600 employees located in 28 countries, FTI Consulting professionals work closely with clients to anticipate, illuminate and overcome complex business challenges and make the most of opportunities. The Company generated \$1.81 billion in revenues during fiscal year 2017.

At FTI Consulting, we have a powerful sense of confidence in our medium-term prospects based on understanding/conviction regarding the following key value drivers:

Drivers of value for FTI Consulting stockholders:

- FTI Consulting has strong businesses with strong people and positions.
- FTI Consulting has built a flexible and attractive global business model with the opportunity to leverage cross-company capabilities.
- FTI Consulting is making concrete changes that are grounded in reality – focusing on organic growth where we are strong and aggressive action where we are challenged.
- FTI Consulting is focused on building core capabilities and disciplines to drive enhanced stockholder value.
- FTI Consulting maintains a healthy balance sheet with strong cash flows, and access to capital.
