

## FTI Consulting Receives Top Ranking, Selected By ALM Intelligence for Vanguard Honors in Transaction Advisory Services

April 7, 2016

### Named One of Five Consulting Firms to Achieve ALM Vanguard™ Status

WASHINGTON, April 07, 2016 (GLOBE NEWSWIRE) -- FTI Consulting, Inc. (NYSE:FCN), the global business advisory firm dedicated to helping organizations protect and enhance their enterprise value, today announced that the firm's [Transaction Services](#) practice achieved [The ALM Vanguard™ status](#) in ALM Intelligence's Transaction Advisory Services 2016 report.

The ALM Vanguard™ of Providers in Transaction Advisory Services assesses a firm's breadth and depth of consulting capabilities in serving its clients. Vanguard status is awarded to the strongest providers, indicating their leadership position in the market. Of the 24 consulting firms featured, FTI Consulting is one of five firms to receive the prestigious ALM Vanguard™ status and is the only firm that achieved ALM Vanguard™ status that does not also offer audit services.

Commenting on this recognition, [Scott Bingham](#), Senior Managing Director and Co-Practice Leader of the U.S. Transaction Services practice at FTI Consulting said, "First and foremost, I am incredibly honored that our clients have helped us achieve this elite classification. Based on client input, we structured the U.S. Transaction Services practice offerings to best suit their needs and help them in a more cohesive, comprehensive and timely fashion."

The ALM report recognizes FTI Consulting's industry focused go-to-market approach as a key differentiator among its transaction services peers.

"Our ALM Vanguard™ status further affirms that our industry-first approach is what the market is demanding," said Mr. Bingham. "Understanding an industry's individual idiosyncrasies is critical in delivering successful outcomes in complex transactions. Our professionals offer our clients deeper and broader skill sets outside of traditional financial due diligence, including operational assessments, compliance and interim management. We have made large commitments to be industry specialists versus generalists. FTI Consulting professionals have deep capabilities in complex industries such as healthcare, technology, media and telecom, retail and energy and we continue to invest in and grow our expertise across numerous industries."

The ALM report also underscores FTI Consulting's end-to-end capabilities, diverse business offering, expanding data and analytics capabilities and global scale.

Mr. Bingham added, "FTI Consulting's Transaction Services practice is comprised of senior professionals and dedicated teams with industry-specific experience, who act independently to advise and implement across the entire transaction lifecycle. Backed by the resources of a global consulting firm known for its success in high-profile, high-stakes financial consulting, we provide our clients a unique advantage with our forward-looking perspective, deep analytical capabilities, global scale and track record in handling the most complex transactions."
