

FTI Consulting Professionals Recognized as Leading Expert Witnesses

November 13, 2012

Firm Maintains Top Position with 22 Listings on Global Arbitration Review's List of The International Who's Who of Commercial Arbitration 2013

WEST PALM BEACH, Fla., Nov. 13, 2012 /PRNewswire/ -- FTI Consulting, Inc. (NYSE: FCN), the global business advisory firm dedicated to helping organizations protect and enhance their enterprise value, today announced that the company has maintained its top position on *Global Arbitration Review's* The International Who's Who of Commercial Arbitration 2013 list.

Eighty-nine professionals from 35 firms were selected as leading expert witnesses in the field of commercial arbitration. FTI Consulting topped the list for the third consecutive year with 22 expert witnesses from the company's Economic Consulting practice, Forensic and Litigation Consulting practice and the FTI Consulting subsidiary Compass Lexecon. Consultants from each of the company's four geographic regions were represented on this year's list, demonstrating the unmatched global reach and expertise of FTI Consulting.

"I am extremely gratified by the recognition our experts have received in the international arbitration community. FTI Consulting has topped The International Who's Who of Commercial Arbitration list of expert witnesses for the third year in a row, reflecting our ongoing commitment to best-in-class international arbitration," said Jack Dunn, President and Chief Executive Officer of FTI Consulting. "This recognition further solidifies our position as the unmatched market leader in providing expert witness testimony in international and commercial arbitrations. Our unrivaled expertise, depth and global reach in this field are what draw the world's top economic and financial minds to our firm. As FTI Consulting has become a global company, we have strategically added distinguished expert witnesses around the world, allowing FTI Consulting to deliver our clients winning results for the most complex, multi-jurisdictional engagements."

Nominees for the *Global Arbitration Review's* list of The International Who's Who of Commercial Arbitration 2013 are selected based on a comprehensive, independent survey of both general counsel and private practice lawyers worldwide. Only specialists who have met independent international research criteria are candidates. Individuals selected for this elite list possess an outstanding depth of knowledge in their area of expertise. These professionals also are recognized for their skill in giving expert oral evidence in commercial arbitrations, encompassing examination in chief, cross examination and, increasingly, witness conferencing.
