

## The National Law Journal Readers Give FTI Consulting Top Honors for Legal Software and Service Offerings

May 7, 2013

### Legal and E-discovery Leader Recognized in 15 Categories in Annual Readers' Survey, Including Best Predictive Coding Solution

WEST PALM BEACH, Fla., May 7, 2013 /PRNewswire/ -- [FTI Consulting](#), Inc. (NYSE: FCN), the global business advisory firm dedicated to helping organizations protect and enhance their enterprise value, today announced that it has been recognized as an industry leader in 15 categories of the 2013 [National Law Journal](#) reader rankings.

Approximately 5,000 readers took the 2013 survey to vote in 70 different categories for the best providers of services, products and education to U.S. law firms. For each category, the winners were ranked by total votes received, and the selection with the most votes won. FTI Consulting was the most mentioned company in this year's survey results.

"The FTI Consulting mission is to help organizations protect and enhance their enterprise value in an increasingly complex legal, regulatory and economic environment," said Jack Dunn, President and Chief Executive Officer of [FTI Consulting](#). "Being recognized by *The National Law Journal* readers across 15 diverse categories, from forensic accounting services to predictive coding, is a testament to our company's vision and the quality of our global professionals."

FTI Consulting and its FTI Technology practice were named as a leader in 15 categories:

- [End-to-end e-discovery provider](#)
- [Predictive coding solution](#)
- [Case management solution](#)
- [Legal process outsourcing](#)
- [Corporate investigations provider](#)
- [Jury consultant](#)
- [Expert witness provider](#)
- [Demonstrative evidence provider](#)
- [End-to-end litigation consulting](#)
- [Intellectual property litigation consulting](#)
- [Litigation valuation provider](#)
- [Litigation dispute advisory services](#)
- [Global risk and investigations consultant](#)
- [Forensic accounting provider](#)
- [Business accounting provider](#)

"FTI Technology is focused on helping our clients better control both the routine and extreme e-discovery demands of litigation and investigations. We are honored to be recognized by the readers of *The National Law Journal* in so many key e-discovery categories," said [Seth Rierson](#), Senior Managing Director and Global Practice Leader of [FTI Technology](#).

[Neal Hochberg](#), Global Practice Leader of the [FTI Consulting Forensic and Litigation Consulting practice](#), said, "Being acknowledged as an industry leader in categories such as global risk and investigations, forensic accounting, intellectual property and litigation dispute advisory services is a distinct honor. This accomplishment exemplifies the caliber of talent across our firm, as we continuously strive to provide the best services for our clients."
