Methodology

This survey is based on the more than 1,500 votes by *Corporate Counsel* readers who were notified through direct emails, print advertising, social media and online advertisement across ALM's network of websites, including Law.com, InsideCounsel.com and Corporate Counsel.com. All votes were reviewed and qualified to ensure they were cast by legitimate end-users from the legal community, including attorneys, paralegals, legal assistants and law school students. The ballot consisted of 55 categories and readers were asked to rank the top three players in each category. Winners were ranked purely on number of votes.
