

FTI Consulting and Compass Lexecon Recognized as Most Highly Regarded Firms in Who's Who Legal: Consulting Experts Guide

July 20, 2016 at 7:30 AM EDT

Garners Top Position with 98 Experts Recognized

WASHINGTON, July 20, 2016 (GLOBE NEWSWIRE) -- FTI Consulting, Inc. (NYSE:FCN), the global business advisory firm dedicated to helping organizations protect and enhance their enterprise value, today announced that FTI Consulting and its subsidiary, Compass Lexecon, were recognized among the most highly regarded firms in the first edition of the [Who's Who Legal: Consulting Experts guide](#), a comprehensive guide of the leading professionals across the globe specializing in economic, forensic and litigation consulting and transactional services.

FTI Consulting and Compass Lexecon had the most experts named in this influential guide, with 98 experts identified from the Company's Economic Consulting, Forensic & Litigation Consulting and Technology segments. These experts hail from 12 countries and sit in 24 cities across the globe. The experts named in the guide are deemed to be leading in their respective fields of practice by both their peers and clients.

As further validation of the firm's unmatched expertise, 10 professionals from FTI Consulting and Compass Lexecon were recognized as one of the world's most highly regarded experts in their fields. Both FTI Consulting and Compass Lexecon had five experts each recognized with this distinction. FTI Consulting and Compass Lexecon were the only firms globally with five experts recognized with this distinction, with the next closest firm having three individuals. In aggregate, FTI Consulting and Compass Lexecon represented more than 25 percent of the world's most highly regarded experts identified in this guide.

"FTI Consulting is a firm of experts – experts focused on places where expertise is most critical – high stakes litigation, investigations, valuation damages, crises," said, [Steven H. Gunby](#), President and Chief Executive Officer of FTI Consulting. "It is gratifying to see that our positioning is recognized by our clients and peers. The guide is further validation of the value we deliver, why we continue to attract the best and brightest professionals, and our core mission."
