

M&A Advisor Honors Three FTI Consulting Professionals as Emerging Leaders

September 26, 2017

WASHINGTON, Sept. 26, 2017 (GLOBE NEWSWIRE) -- FTI Consulting, Inc. (NYSE:FCN) today announced that three professionals have been recognized as part of *The M&A Advisor's* Eighth Annual Emerging Leaders Awards, which honor M&A, financing and turnaround professionals under 40 for their accomplishments in business and in service to the community.

[Shannon Stucky Pritchett](#), a Senior Managing Director in the [Strategic Communications](#) segment, was recognized in the Marketing, Communication and Business Development Professional category. Senior Managing Director [Tanya Meerovich](#) and Managing Director [Michael Bui](#) of the Company's [Corporate Finance & Restructuring](#) segment were honored in the Service Professional category.

"At FTI, we have countless leading experts who have been recognized for many years. Shannon, Tanya and Michael are examples of a different and equally important aspect of our firm," said [Steven H. Gunby](#), President and Chief Executive Officer of FTI Consulting. "They represent our commitment to continuing to support and develop our people so that they can represent our next generation of experts. I am proud to have these talented professionals as part of our team."

Ms. Stucky Pritchett, based in New York, specializes in developing and executing communications strategies for companies that are announcing restructurings, mergers, acquisitions or other transactions. She also helps clients manage their reputations in relation to specific issues or events.

Ms. Meerovich, based in New York, is a member of the Turnaround & Restructuring Services practice within the Corporate Finance & Restructuring segment. Her experience includes providing financial and strategic solutions to companies, creditors and investors.

Mr. Bui, based in Houston, focuses on corporate restructurings and strategic advisory. He primarily advises clients in the energy and industrial space, including energy exploration and production, oilfield services and engineering and construction.
