

Who's Who Legal Recognizes 29 FTI Consulting Professionals as Leading Forensic Accounting and Digital Forensic Experts

March 7, 2019

WASHINGTON, March 07, 2019 (GLOBE NEWSWIRE) -- FTI Consulting, Inc. (NYSE: FCN) today announced that 29 professionals from the firm's [Forensic & Litigation Consulting](#) segment, [Technology](#) segment and [Compass Lexecon](#) subsidiary have been named to the *Who's Who Legal: Investigations 2019* list, an increase from 19 honored in 2018.

FTI Consulting and Compass Lexecon had 19 experts recognized in the Forensic Accountants category. Ten FTI Consulting experts were recognized in the Digital Forensic Experts category.

In addition, FTI Consulting had four experts recognized as Future Leaders, professionals under 45 who the market considers to be the future leaders in their respective fields. Senior Managing Director [Tara Mulkeen](#) was named a Future Leader in Forensic Accounting, and Senior Managing Director [Daniel Roffman](#) and Senior Directors [Christopher Hatfield](#) and Régis Pereira were honored as Future Leaders in Digital Forensics.

"We are honored that our corporate and law firm clients across the globe have recognized our industry leaders and nominated them for inclusion in the *Who's Who Legal: Investigations 2019* guide," said [Paul Ficca](#), Global Leader of the Forensic & Litigation Consulting segment at FTI Consulting. "These results demonstrate the depth and breadth of our investigations and forensics expertise, as well as our commitment to assisting clients with their most complex investigative needs."

The recognitions in the *Who's Who Legal: Investigations 2019* guide continue the accolades for FTI Consulting's investigations and forensic accounting expertise. The firm was named Investigations Forensic Accounting Firm of the Year at the 2018 *Who's Who Legal Awards* ceremony in London.

Forensic accountants named to the *Who's Who Legal: Investigations 2019* list were recognized for their work in accounting, disputes and regulatory compliance. Digital forensic experts listed were recognized for their skills in e-discovery, asset tracing and corporate investigations. Experts were selected based on comprehensive, independent surveys of both general counsel and private practice lawyers worldwide.
