

FTI Consulting Enhances Business Transformation Expertise for Financial Institutions

March 3, 2020 at 7:30 AM EST

Business Transformation Expert Frank Sui Joins as a Senior Managing Director and Co-Leader of the Financial Services Offering within the Corporate Finance & Restructuring Segment

WASHINGTON, March 03, 2020 (GLOBE NEWSWIRE) -- FTI Consulting, Inc. (NYSE: FCN) today announced the appointment of [Frank Sui](#) as a Senior Managing Director and Co-Leader of the Financial Services offering within the Corporate Finance & Restructuring segment. Mr. Sui will lead financial services efforts in the [Business Transformation](#) practice alongside Senior Managing Director [William Nolan](#), enhancing the firm's existing expertise in advising mortgage companies, unsecured lenders and mid-market banks.

Mr. Sui, who is based in New York, brings more than 30 years of experience driving transformational change at financial institutions, including consumer finance, retail banking, asset management and wealth management, insurance, private equity portfolio companies and payment networks.

"Bringing together financial services expertise from across the FTI Consulting global platform, our Business Transformation practice works in stressed situations to improve performance enterprise-wide," said [Carlyn Taylor](#), Global Co-Leader of the Corporate Finance & Restructuring segment at FTI Consulting. "Frank brings a deep background in improving core processes in financial services, meeting the challenges our clients face to keep pace in a digital world. His expertise will add significant value for our financial services clients."

Mr. Sui has helped clients deliver profitability growth through driving operational efficiencies and capturing pricing, product, servicing, and sales and marketing opportunities. He has led complex, large-scale change initiatives that include cost restructuring, merger integration, outsourcing and operating model change and digital transformation. He has also led digital growth initiatives, including new business model launch and growth, digital platform creation and growth, and strategic partnerships.

Prior to joining FTI Consulting, Mr. Sui served financial services clients as a Partner at AlixPartners and was Co-Leader of the Financial Services Digital and Disruptive Innovation practice at Deloitte Consulting. He also was co-founder of the management consulting firm Mitchell Madison Group.

"I am passionate about helping clients build new businesses and improve existing operations, particularly when they face tests that could make or break their right to operate," Mr. Sui said. "The global platform of FTI Consulting and its deep expertise in financial services will enable us to provide business transformation services to mortgage servicers, unsecured lenders and banks to help them maximize value and adapt to meet constantly evolving technological and regulatory challenges."
