

## ALM Intelligence Names FTI Consulting a Vanguard Leader in Capital Projects & Infrastructure Consulting

April 15, 2020

WASHINGTON, April 15, 2020 (GLOBE NEWSWIRE) -- FTI Consulting, Inc. (NYSE: FCN) today announced that the firm's [Asset Lifecycle Management](#) offering within its [Construction Solutions](#) practice has been named a Vanguard Leader by ALM Intelligence in its most recent *Capital Projects & Infrastructure Consulting* report.

The ALM Vanguard of Capital Projects & Infrastructure Consulting evaluates firms on their ability to create impact according to input from clients and providers, focusing on their consulting approach, organization and service delivery model. Of the 24 firms evaluated in the report, FTI Consulting was one of four to be recognized as a Vanguard Leader.

The Asset Lifecycle Management offering at FTI Consulting provides a breadth of services focused on improving the lifecycle value for critical capital assets. In addition to partnering with clients to transform their approach to asset lifecycle management, the team regularly fulfills project and operations management roles for clients around the world, leveraging the strength of best practices and technology.

According to ALM Intelligence, "FTI's capital projects consulting approach is a blend of the firm's longstanding construction sector disputes advisory experience and specialized asset lifecycle management resources. This combination makes minimizing cost and schedule overruns the end and disciplined project data, reporting and forecasting the means. This translates into positioning at the intersection of chief information officers who own enterprise data management and business units charged with delivering project financials."

Commenting on the recognition, [Steve Means](#), Leader of the Asset Lifecycle Management offering at FTI Consulting, said, "We are honored that ALM Intelligence has recognized us as one of the leading firms in capital projects and infrastructure consulting, which is a testament to the trust our clients place in us and the impact we can have working alongside them. Our approach puts businesses at the forefront of digital transformation through the consideration of four key elements: people, process, technology and data. Our services and tools aim to improve every aspect of the asset management lifecycle — shortening time to value and increasing capital efficiency."
