

FTI Consulting Enhances Customer Experience and Digital Transformation Expertise within the Business Transformation Practice

November 2, 2020 at 7:30 AM EST

WASHINGTON, Nov. 02, 2020 (GLOBE NEWSWIRE) -- FTI Consulting, Inc. (NYSE: FCN) today announced the appointment of [Michele Booth](#) and [Sumeet Gupta](#) as Senior Managing Directors in the firm's [Business Transformation](#) practice within [Corporate Finance & Restructuring](#) segment.

Ms. Booth, who is based in Chicago, joins the firm's Revenue Growth and Operations offering focusing on customer experience and digital strategy. She has more than 15 years of management and technology consulting experience focused on customer experience strategy and transformation, revenue growth operations, digital and organizational business transformation.

Mr. Gupta, who is based in Dallas, joins the firm's Technology Transformation offering at the intersection of digital product expertise, engineering leadership, customer experience strategy and business growth. He has 20 years of experience helping Fortune 200 companies gain competitive advantage by significantly accelerating digital growth through modernizing engineering, establishing digitally native teams and building and commercializing new products, experiences and businesses.

"I am very pleased to welcome Michele and Sumeet to our growing Business Transformation practice," said [Carlyn Taylor](#), Global Co-Leader of the Corporate Finance & Restructuring segment at FTI Consulting. "At a time when customer experience is shifting to digital due to COVID-19, both Michele and Sumeet will help clients across sectors unlock revenue growth opportunities by building better customer experience capabilities and implementing strategic digital transformation initiatives."

Ms. Booth possesses deep industry expertise in technology, media, entertainment, telecommunications, retail and consumer products. She joins the firm from Ipsos North America, where she served as Head of Customer Experience Advisory for the U.S. market. She previously was a Customer Strategy & Operations Senior Manager at EY, where she focused on large-scale digital transformations enabling the customer journey by integrating customer and user experience, front- and back-office operations, product teams and supporting lead to cash technologies.

Mr. Gupta's industry expertise spans across retail, consumer products, healthcare, technology, travel and hospitality, financial services and agribusiness. Prior to joining FTI Consulting, he was an Executive Partner at Publicis Sapient in San Francisco and most recently in Minneapolis. He was the managing director for Sapient's digital transformation business in the upper Midwest and also led some of its largest, most complex transformation engagements globally.
