

FTI Consulting Appoints Respected Energy Veteran Kumar Padiseti as Senior Managing Director in Australia

October 4, 2021

MELBOURNE, Australia, Oct. 05, 2021 (GLOBE NEWSWIRE) -- FTI Consulting, Inc. (NYSE: FCN) today announced the appointment of energy expert [Kumar Padiseti](#) as a Senior Managing Director in the Economic Consulting segment, based in Melbourne.

With over 20 years of experience, Mr. Padiseti has deep expertise in market design and reform, project development, and commercial advisory across energy and carbon markets and renewables. Over his career, he has held senior positions with large energy companies in Australia and New Zealand and has built a strong reputation as a strategic advisor to senior leaders in the energy sector.

Mr. Padiseti joins from Deloitte Access Economics, where he built a leading energy advisory practice focused on assisting clients as they navigate Australasia's energy markets. Prior to Deloitte, Mr. Padiseti was a partner at Saha International, where he was responsible for the Energy and Resources practice in Australasia.

Commenting on the appointment, [Robert Southern](#), a Senior Managing Director and Head of Australia Economic & Financial Consulting at FTI Consulting, said, "We are delighted to have Kumar join our Economic & Financial Consulting practice. His extensive experience and knowledge of the energy sector combined with his commercial and financial acumen and technical expertise will enhance our local capabilities and offering to our clients."

[Mark Dewar](#), a Senior Managing Director and Australia Leader at FTI Consulting, added, "Kumar's appointment supports our firm's commitment to growing our Economic & Financial Consulting practice in Australia and to further expand our leading energy practice. His deep sector expertise, market knowledge and strong leadership skills will significantly enhance our firm's offering to clients across Australia and beyond."

Commenting on his appointment, Mr. Padiseti said, "FTI Consulting has established itself as a world leader in energy market advice. The team has contributed to some of the most transformative energy projects globally, and I look forward to supporting the ongoing growth of the business in Australia and working with its global network of energy experts to drive the continuing energy transition in our region."
