

FTI Consulting Appoints Dan Hunter as Americas Head of Financial Services within Strategic Communications

March 7, 2022

WASHINGTON, March 07, 2022 (GLOBE NEWSWIRE) -- FTI Consulting Inc. (NYSE: FCN) today announced the appointment of Dan Hunter as a Senior Managing Director and Americas Head of the Financial Services practice within the firm's [Strategic Communications](#) segment.

Mr. Hunter, who will be based in New York City and report to [Brian Kennedy](#), the segment's Head of the Americas, has almost two decades of banking and financial services sector experience and brings deep global corporate affairs and crisis communications expertise to FTI Consulting. In his role as Americas Head of Financial Services, Mr. Hunter will work closely with senior leaders throughout the firm to maximize business success in the growing sector, and he will lead a multidisciplinary team advising clients as they navigate a constantly changing environment of financial regulations and enforcement actions, litigation threats, and economic and competitive challenges.

"Dan is a proven and respected communications leader with deep subject-matter expertise in the banking and financial services sector, which will make him a tremendous asset to our Financial Services team as they help clients mitigate risks and maximize commercial opportunities," Mr. Kennedy said. "Having worked inside two of the world's leading institutions in the sector, in London as well as New York, Dan will provide the kind of unique, global and client-centric insights and perspectives that management teams in highly regulated industries truly value."

Mr. Hunter joins FTI Consulting from Deutsche Bank, where he served as Head of Corporate Communications for the Americas and the Global Investment Bank. While at Deutsche Bank, he led the organization through a period of significant change and strategic repositioning.

Prior to his time at Deutsche Bank, Mr. Hunter was a Managing Director at Prosek Partners in New York, where he played a central role in the crisis and issues management practice and financial services team, advising banks, private equity firms, hedge fund and traditional asset managers on proactive communications and reputation management.

Mr. Hunter also spent almost a decade at Barclays in London, where he led external communications for investment and corporate banking, wealth management and consumer banking, including leading communications for the acquisition and integration of Lehman Brothers in New York at the height of the global financial crisis.

Commenting on his appointment, Mr. Hunter said, "With the threats and opportunities arising from today's confluence of geopolitical and domestic regulatory and policy shifts, as well as the coming market realignment that technology will bring, this is a compelling time to return to consulting. FTI Consulting's unique position as a global management consultancy with a fully integrated Strategic Communications business means that we can bring the full weight of the firm's comprehensive expertise to clients to ensure they emerge from volatile times stronger."
