

FTI Consulting Expands Office of the CFO Solutions Practice with Launch of Dedicated Offering in EMEA

June 20, 2023

LONDON, June 20, 2023 (GLOBE NEWSWIRE) -- FTI Consulting (NYSE: FCN) today announced the continued investment in its capabilities across Europe, the Middle East and Africa ("EMEA") with the launch of a dedicated [Office of the CFO Solutions](#) practice in the region. The EMEA team will provide a suite of services to help chief financial officers ("CFOs") and finance leaders navigate the evolving responsibilities and opportunities of the CFO and finance function.

"CFOs around the globe continue to face increasing demands and are relied upon to create sustainable value for their organizations," said [Gina Gutzeit](#), Global Leader of the Office of the CFO Solutions practice at FTI Consulting. "The expansion of our services across EMEA is a testament to our commitment to helping finance executives succeed in their roles and enhance the performance of finance and accounting functions."

The practice comprises a dedicated team of senior finance professionals with deep functional expertise and a presence across EMEA. The EMEA practice works with and strengthens the capabilities of the firm's leading Office of the CFO Solutions team in the United States, as FTI Consulting's "finance centre of excellence". The firm's CFO clients will be supported through a range of services, including:

- Finance operations and technology: accounting and financial reporting, finance transformation, technology and data management, and interim management
- Cash, cost and capital management: treasury and cash flow, cost optimisation and working capital improvement
- Strategy and planning: planning and performance management, finance function strategy and operating model, strategic initiatives and event readiness

"Expanding our dedicated CFO advisory capabilities across EMEA will ensure that we continue to build on our ability to provide clients with tailored solutions that support the evolving risk, compliance and governance responsibilities that are now within the CFO's remit," added [Diederick van der Plas](#), EMEA Head of the Corporate Finance & Restructuring segment at FTI Consulting. "Drawing on our deep multidisciplinary expertise, particularly in relation to crisis and transformations, our goal as trusted advisors is to deliver impactful solutions that help to lighten the burden of today's CFO while improving transparency in their businesses."
