

## FTI Consulting Expands RelativityOne Solutions to Germany and Ireland

September 19, 2023 at 4:00 AM EDT

LONDON, Sept. 19, 2023 (GLOBE NEWSWIRE) -- FTI Consulting, Inc. (NYSE: FCN) today announced that the firm's [Technology](#) segment has expanded its partnership with Relativity to provide the cloud-based e-discovery solution [RelativityOne](#) in Germany and Ireland.

This expansion continues the growth of FTI Technology's Relativity managed e-discovery services and RelativityOne offerings throughout North America, South America, Europe and Asia, which provide clients with continuous efficiency and localised expertise across dozens of countries. With the addition of Germany and Ireland, two countries experiencing high demand for e-discovery software and services, FTI Technology has enhanced its ability to help clients manage data obstacles and cost containment for matters of all sizes, including those that span multiple jurisdictions.

"We are deeply committed to ensuring our clients have access to the most flexible, scalable, defensible, secure technology solutions for e-discovery and investigations challenges," said [Renato Fazzone](#), a Senior Managing Director and country leader for Germany. "Our e-discovery teams in Germany, Ireland and across Europe are highly skilled and experienced with Relativity, including consulting around and implementing expert workflows, advanced analytics and custom solutions within the platform."

[Gráinne Bryan](#), a Senior Managing Director and Ireland Leader of FTI Technology, added, "By expanding our RelativityOne offerings to more countries, we are empowering our experts to provide more speed and control to clients during high-stakes, complex disputes and regulatory matters."

FTI Technology is widely recognised as a leading provider of expert, defensible e-discovery consulting and services throughout the entire discovery process. From legal holds and global data collections to legal review and production, FTI Technology consultants assist in developing policies, deploying technology and executing entire programs as a managed service. FTI Technology experts are experienced in managing data requirements within highly regulated industries and leading discovery efforts across a wide range of matters, from large-scale, multi-jurisdictional disputes, to targeted internal investigations. As part of this, FTI Technology provides clients with a choice of technology and service options to best meet their particular needs and preferences. Relativity augments other technologies offered by FTI Technology worldwide.

### About FTI Consulting

FTI Consulting, Inc. is a global business advisory firm dedicated to helping organisations manage change, mitigate risk and resolve disputes: financial, legal, operational, political & regulatory, reputational and transactional. With more than 7,800 employees located in 31 countries, FTI Consulting professionals work closely with clients to anticipate, illuminate and overcome complex business challenges and make the most of opportunities.
