About FTI Consulting

FTI Consulting is a multi-disciplined consulting firm with leading practices in the areas of bankruptcy, financial restructuring and litigation-related services. Modern corporations, as well as those who advise and invest in them, face growing challenges on every front. From a proliferation of "bet-the-company" litigation to increasingly complicated relationships with lenders and investors in an ever-changing global economy, U.S. companies are turning more and more to outside experts and consultants to meet these complex issues. FTI is dedicated to helping corporations, their advisors, lawyers, lenders and investors meet these challenges by providing a broad array of the highest quality professional practices from a single source.
