

## **FTI Consulting to Present at SunTrust Robinson Humphrey Business Services Conference**

November 2, 2006

Baltimore, MD - November 2, 2006

FTI Consulting, Inc. (NYSE: FCN), the leading global consulting firm to organizations confronting the critical legal, financial and reputational issues that shape their futures, today announced that Theodore Pincus, executive vice president and chief financial officer, will present to investors and financial analysts during the SunTrust Robinson Humphrey 2006 Business Services Conference in New York. The presentation is scheduled for Thursday, November 9, 2006 at 2:05 p.m. Eastern Time. The presentation will be broadcast live through the Internet and a replay will be available 24 hours after the presentation and will remain archived for 90 days.

The presentation can be accessed at the Events Page on the FTI Consulting website at [http://www.fticonsulting.com/web/about/events/208/SunTrust\\_Robinson\\_Humphrey\\_Business\\_Services\\_Conference.html](http://www.fticonsulting.com/web/about/events/208/SunTrust_Robinson_Humphrey_Business_Services_Conference.html).

### About FTI Consulting

FTI is a leading global firm that organizations rely on for advice and solutions in the areas of forensic analysis, investigation, economic analysis, restructuring, due diligence, strategic communication, financial communication and technology when confronting the critical legal, financial and reputational issues that shape their futures.

FTI delivers solutions every day through its network of nearly 2,000 professionals in offices in every major business center in the world.

This press release includes "forward-looking" statements that involve uncertainties and risks. There can be no assurance that actual results will not differ from the company's expectations. The company has experienced fluctuating revenues, operating income and cash flow in some prior periods and expects this may occur from time to time in the future. As a result of these possible fluctuations, the company's actual results may differ from our projections. Further, preliminary results are subject to normal year-end adjustments. Other factors that could cause such differences include pace and timing of additional acquisitions, the company's ability to realize cost savings and efficiencies, competitive and general economic conditions, retention of staff and clients and other risks described in the company's filings with the Securities and Exchange Commission. We are under no duty to update any of the forward-looking statements to conform such statements to actual results or events and do not intend to do so.
