Safe Harbor Statement

This press release includes "forward-looking" statements that involve uncertainties and risks. There can be no assurance that actual results will not differ from the company's expectations. The company has experienced fluctuating revenues, operating income and cash flow in some prior periods and expects this may occur from time to time in the future. As a result of these possible fluctuations, the company's actual results may differ from our projections. Further, preliminary results are subject to normal year-end adjustments. Other factors that could cause such differences include pace and timing of additional acquisitions, the company's ability to realize cost savings and efficiencies, competitive and general economic conditions, retention of staff and clients and other risks described in the company's filings with the Securities and Exchange Commission. We are under no duty to update any of the forward-looking statements to conform such statements to actual results or events and do not intend to do so.
