

## **FTI Consulting to Present at the Sixth Annual JMP Securities Research Conference**

May 16, 2007

Baltimore, MD - May 16, 2007

FTI Consulting, Inc. (NYSE: FCN), the global business advisory firm dedicated to helping organizations protect and enhance their enterprise value, today announced that Dennis Shaughnessy, FTI's chairman of the board, and David Bannister, executive vice president and chief development officer, will present to investors and financial analysts during the Sixth Annual JMP Securities Research Conference in San Francisco, CA. The presentation is scheduled for Monday, May 21, 2007, at 8:00 a.m. Pacific Time (11:00 a.m. Eastern Time). The presentation will be broadcast live through the Internet and a replay will be available within 24 hours after the presentation, and will remain archived for 90 days.

The webcast and associated presentation can be accessed through a link on the home page of the FTI Consulting website or from the company's Events page.

### About FTI Consulting

FTI Consulting is a global business advisory firm dedicated to helping organizations protect and enhance enterprise value in an increasingly complex legal, regulatory and economic environment. With more than 2000 professionals located in most major business centers in the world, we work closely with clients every day to anticipate, illuminate, and overcome complex business challenges in areas such as investigations, litigation, mergers and acquisitions, regulatory issues, reputation management and restructuring. More information can be found at [www.fticonsulting.com](http://www.fticonsulting.com).

### Safe Harbor Statement

This press release includes "forward-looking statements" within the meaning of Section 21E of the Securities Exchange Act of 1934 that involve uncertainties and risks including statements related our future financial results. There can be no assurance that actual results will not differ from the company's expectations. The Company has experienced fluctuating revenues, operating income and cash flow in some prior periods and expects this will occur from time to time in the future. As a result of these possible fluctuations, the Company's actual results may differ from our projections. Further, preliminary results are subject to normal year-end adjustments. Other factors that could cause such differences include the pace and timing of the consummation and integration of past and future acquisitions, the company's ability to realize cost savings and efficiencies, competitive and general economic conditions, retention of staff and clients and other risks described under the heading "Item 1A. Risk Factors" in the Company's most recent Form 10-K and in the Company's other filings with the Securities and Exchange Commission. We are under no duty to update any of the forward-looking statements to conform such statements to actual results or events and do not intend to do so.
