

## FTI Announces Hosting Partnership with De Novo Legal, LLC

March 11, 2008

New Hosting Partner and Seven New Ringtail Service Partners Expand Affiliate Network

NEW YORK, March 11 /PRNewswire-FirstCall/ -- FTI Consulting, Inc. (NYSE: FCN), the global business advisory firm dedicated to helping organizations protect and enhance their enterprise value, today announced a partnership with De Novo Legal, LLC and an agreement for the firm to host the industry-leading Ringtail(R) document review platform from FTI. FTI also announced the expansion of its partner program with the addition of seven new Ringtail service partners.

De Novo Legal, LLC to offer the Ringtail Platform On Demand

De Novo Legal is the premier integrated e-discovery solutions provider for law firms and corporate legal departments. With offices located across the United States, De Novo Legal provides a single point of accountability for the entire lifecycle of an electronic discovery project including processing, hosting, document review and production.

"Our clients want and demand a trustworthy, time-tested, hosting platform to handle their mission critical data. Ringtail has proven to be that solution," said Michael McDonald, managing director of De Novo Legal. "We are proud to be working with FTI and look forward to expanding our current service offerings to law firms and corporations."

As a Ringtail hosting partner, De Novo Legal will add the Ringtail platform hosting, data processing and consulting capabilities to its service offering. De Novo has attained a Silver level of qualification after completing a rigorous certification and training program. Among other membership requirements, De Novo has a dedicated team of Ringtail certified specialists on staff.

"The addition of De Novo Legal to the FTI Partner Program brings a number of benefits to our clients including scalable document review capabilities and a strong presence on the East Coast and in Houston, Texas. We are pleased to have them part of our program," said Ed Pfromer, senior managing director at FTI Consulting.

Seven New Ringtail Service Partners

FTI also announced the addition of seven Ringtail Service Partners since the launch of the FTI Partner Program. Ringtail Service Partners, formerly known as the Ringtail Certified Service Bureau, provide Ringtail data loading services and workflow consulting. In the United States, FTI welcomes the following new partners: Center for Computer Forensics, Barrister Digital Solutions, LLC, IKON, ImageMAKER Development Inc., True Legal Partners and Tusker Group. In the United Kingdom, FTI welcomes Hobs Legal Docs Ltd.

Organizations interested in partnering with FTI should visit the FTI Partner Portal to download an enrollment form and request the program guide. The partner portal can be found at <https://partners.fticonsulting.com>.

About the Ringtail(R) Platform

The Ringtail(R) platform from FTI Consulting, Inc., the global business advisory firm, delivers substantial time and cost savings to lawyers and investigators working on large, complex matters. Safe Harbor Statement

This press release includes "forward-looking statements" within the meaning of Section 21E of the Securities Exchange Act of 1934 that involve uncertainties and risks including statements related our future financial results. There can be no assurance that actual results will not differ from the company's expectations. The Company has experienced fluctuating revenues, operating income and cash flow in some prior periods and expects this will occur from time to time in the future. As a result of these possible fluctuations, the Company's actual results may differ from our projections. Further, preliminary results are subject to normal year-end adjustments. Other factors that could cause such differences include the pace and timing of the consummation and integration of past and future acquisitions, the company's ability to realize cost savings and efficiencies, competitive and general economic conditions, retention of staff and clients and other risks described under the heading "Item 1A. Risk Factors" in the Company's most recent Form 10-K and in the Company's other filings with the Securities and Exchange Commission. We are under no duty to update any of the forward-looking statements to conform such statements to actual results or events and do not intend to do so.
