

FTI Consulting to Present at Baird's 2008 Growth Stock Conference

May 12, 2008

BALTIMORE, May 12 /PRNewswire-FirstCall/ -- FTI Consulting, Inc. (NYSE: FCN), the global business advisory firm dedicated to helping organizations protect and enhance their enterprise value, today announced that Jack Dunn, FTI's president and chief executive officer, and David Bannister, executive vice president and chief development officer, will present to investors and financial analysts during Baird's 2008 Growth Stock Conference in Chicago, IL. The presentation is scheduled for Thursday, May 15, 2008, at 11:15 a.m. Central Time (12:15 p.m. Eastern Time). The presentation will be broadcast live over the Internet and a replay will be available within 24 hours after the presentation, and will remain archived for 90 days.

The webcast and associated presentation can be accessed through a link on the home page of the FTI Consulting website at www.fticonsulting.com.

About FTI Consulting

FTI Consulting, Inc. is a global business advisory firm dedicated to helping organizations protect and enhance enterprise value in an increasingly complex legal, regulatory and economic environment. With more than 3,000 employees located in most major business centers in the world, we work closely with clients every day to anticipate, illuminate, and overcome complex business challenges in areas such as investigations, litigation, mergers and acquisitions, regulatory issues, reputation management and restructuring. More information can be found at www.fticonsulting.com.

Safe Harbor Statement

This press release includes "forward-looking statements" within the meaning of Section 21E of the Securities Exchange Act of 1934 that involve uncertainties and risks including statements related our future financial results, goals and plans. There can be no assurance that actual results will not differ from the company's expectations. The Company has experienced fluctuating revenue, operating income and cash flow in some prior periods and expects this will occur from time to time in the future. As a result of these possible fluctuations, the Company's actual results may differ from our projections. Further, preliminary results are subject to normal year-end adjustments. Other factors that could cause such differences include the pace and timing of the consummation and integration of past and future acquisitions, the Company's ability to realize cost savings and efficiencies, competitive and general economic conditions, retention of staff and clients and other risks described under the heading "Item 1A. Risk Factors" in the Company's most recent Form 10-K and in the Company's other filings with the Securities and Exchange Commission. We are under no duty to update any of the forward-looking statements to conform such statements to actual results or events and do not intend to do so.
