

FTI Consulting Names Declan Kelly Executive Vice President and Chief Integration Officer

August 4, 2008

BALTIMORE, Aug. 4 /PRNewswire-FirstCall/ -- FTI Consulting, Inc. (NYSE: FCN), the global business advisory firm dedicated to helping organizations protect and enhance their enterprise value, today announced the appointment of Declan Kelly to the position of Executive Vice President and Chief Integration Officer.

In his new position, Mr. Kelly will take responsibility for the global integration of FTI's existing businesses and acquisitions. He will also focus on the company's worldwide marketing and communications strategy, its company-wide business development, corporate strategy and client relationship management programs and the implementation of the company's global brand strategy.

Mr. Kelly will retain his positions as Chairman in the United States of FD, the strategic communications division of FTI Consulting. He has served as CEO of FD-US for the past six years.

Announcing the appointment, Jack Dunn, President and CEO of FTI Consulting, stated: "FTI has exciting and challenging opportunities ahead of it and an array of resources and skills to assist in seizing them. Harnessing those resources and skills in one C-Suite department under a dynamic and experienced professional like Declan can only serve to accelerate our success.

"In Declan, we have the right leader at the right time to focus on the ongoing integration of all our businesses and our marketing, corporate strategy, business development and client relationship efforts so that they are squarely behind the accomplishment of our Five Year Plan and move our company to the next level of global competition. We welcome Declan to our management team."

About FTI Consulting

FTI Consulting, Inc. is a global business advisory firm dedicated to helping organizations protect and enhance enterprise value in an increasingly complex legal, regulatory and economic environment. With more than 3,000 employees located in most major business centers in the world, we work closely with clients every day to anticipate, illuminate, and overcome complex business challenges in areas such as investigations, litigation, mergers and acquisitions, regulatory issues, reputation management and restructuring.
