

FTI Consulting to Present at Deutsche Bank 2009 Small and Mid Cap Conference

February 6, 2009

WEST PALM BEACH, Fla., Feb. 6 /PRNewswire-FirstCall/ -- FTI Consulting, Inc. (NYSE: FCN), the global business advisory firm dedicated to helping organizations protect and enhance their enterprise value, today announced that Dennis Shaughnessy, FTI's chairman of the board, and David Bannister, EVP - corporate development and chief administrative officer, will present to investors and financial analysts during the Deutsche Bank 2009 Small and Mid Cap Conference in Naples, FL. The presentation is scheduled for Tuesday, February 10, 2009 at 2:00 p.m. Eastern Time. The presentation will be broadcast live through the Internet and a replay will be available within 24 hours after the presentation, and will remain archived for 90 days.

The webcast and associated presentation can be accessed through a link on the home page of the FTI Consulting website at www.fticonsulting.com.

About FTI Consulting

FTI Consulting, Inc. is a global business advisory firm dedicated to helping organizations protect and enhance enterprise value in an increasingly complex legal, regulatory and economic environment. With more than 3,000 employees located in most major business centers in the world, we work closely with clients every day to anticipate, illuminate, and overcome complex business challenges in areas such as investigations, litigation, mergers and acquisitions, regulatory issues, reputation management and restructuring. More information can be found at www.fticonsulting.com.

Safe Harbor Statement

This press release may include "forward-looking statements" within the meaning of Section 21E of the Securities Exchange Act of 1934 that involve uncertainties and risks. Forward-looking statements include statements concerning our plans, objectives, goals, strategies, future events, future revenues, future results and performance, expectations, plans or intentions relating to acquisitions and other matters, business trends and other information that is not historical, including statements regarding estimates of our future financial results. When used in this press release, words such as "estimates," "expects," "anticipates," "projects," "plans," "intends," "believes," "forecasts" and variations of such words or similar expressions are intended to identify forward-looking statements. All forward-looking statements, including, without limitation, estimates of our future financial results, are based upon our expectations at the time we make them and various assumptions. Our expectations, beliefs and projections are expressed in good faith, and we believe there is a reasonable basis for them. However, there can be no assurance that management's expectations, beliefs and projections will result or be achieved or that actual results will not differ from expectations. The Company has experienced fluctuating revenue, operating income and cash flow in some prior periods and expects this will occur from time to time in the future. Other factors that could cause such differences include the pace and timing of the consummation and integration of past and future acquisitions, the Company's ability to realize cost savings and efficiencies, competitive and general economic conditions, retention of staff and clients and other risks described under the heading "Item 1A. Risk Factors" in the Company's most recent Form 10-K and in the Company's other filings with the Securities and Exchange Commission. We are under no duty to update any of the forward-looking statements to conform such statements to actual results or events and do not intend to do so.
