

FTI Consulting Promotes Neal Hochberg to Head of Forensic & Litigation Consulting Segment

March 17, 2009

WEST PALM BEACH, Fla., March 17 /PRNewswire-FirstCall/ -- FTI Consulting, Inc. (NYSE: FCN), the global business advisory firm dedicated to helping organizations protect and enhance their enterprise value, recently announced that Neal Hochberg has been promoted to lead FTI's Forensic and Litigation Consulting segment. Previously, Mr. Hochberg led the North American arm of the Forensic and Litigation Consulting segment.

Commenting on Mr. Hochberg's promotion, FTI chief executive officer and president, Jack Dunn said, "Mr. Hochberg has been a leader in the global expansion of our Forensic and Litigation Consulting segment, and will have a crucial role to play as we continue to grow to serve our clients in the challenges they are facing from the economic and financial crises worldwide." In response, Mr. Hochberg explained that he "looks forward to continuing to enhance FLC's global reach as a premier provider of Risk Mitigation, Investigations and Forensic Accounting and Dispute Advisory services."

Mr. Hochberg has more than 32 years of professional experience and for the last 18 years has focused exclusively on accounting and forensic investigations, complex economic and financial matters in disputes and issues involving financial reporting, internal investigations, securities derivative, FCPA and 10(b)(5) claims. He also has extensive expert witness testimony experience, and has served as an arbitrator, mediator and in court appointed roles as independent panel and special master.

Safe Harbor Statement

This press release may include "forward-looking statements" within the meaning of Section 21E of the Securities Exchange Act of 1934 that involve uncertainties and risks. Forward-looking statements include statements concerning our plans, objectives, goals, strategies, future events, future revenues, future results and performance, expectations, plans or intentions relating to acquisitions and other matters, business trends and other information that is not historical, including statements regarding estimates of our future financial results. When used in this press release, words such as "estimates," "expects," "anticipates," "projects," "plans," "intends," "believes," "forecasts" and variations of such words or similar expressions are intended to identify forward-looking statements. All forward-looking statements, including, without limitation, estimates of our future financial results, are based upon our expectations at the time we make them and various assumptions. Our expectations, beliefs and projections are expressed in good faith, and we believe there is a reasonable basis for them. However, there can be no assurance that management's expectations, beliefs and projections will result or be achieved or that actual results will not differ from expectations. The Company has experienced fluctuating revenue, operating income and cash flow in some prior periods and expects this will occur from time to time in the future. Other factors that could cause such differences include the pace and timing of the consummation and integration of past and future acquisitions, the Company's ability to realize cost savings and efficiencies, competitive and general economic conditions, retention of staff and clients and other risks described under the heading "Item 1A. Risk Factors" in the Company's most recent Form 10-K and in the Company's other filings with the Securities and Exchange Commission. We are under no duty to update any of the forward-looking statements to conform such statements to actual results or events and do not intend to do so.
