

FTI Consulting President & CEO Jack Dunn recognized as one of 'Top 25 Consultants' for 2012 by Consulting Magazine

May 21, 2012

WEST PALM BEACH, Fla., May 21, 2012 /PRNewswire/ -- FTI Consulting, Inc. (NYSE: FCN), the global business advisory firm dedicated to helping organizations protect and enhance their enterprise value, today announced that its president and chief executive officer, Jack B. Dunn, IV, has been named one of *Consulting Magazine's* 'Top 25 Consultants' for 2012.

Consulting Magazine's Top 25 Awards, which are among the most sought after consulting industry accolades for superior achievement in leadership and client service, has recognized Mr. Dunn for being a transformational leader at FTI Consulting and pioneering a new industry model for consulting firms.

Mr. Dunn received the honor in the leadership category in recognition of his two decades of service to the Company, including 17 years as chief executive officer. FTI Consulting has grown from 75 employees and \$6 million in annual revenues in the U.S. in 1992 to become a global enterprise with more than 3,800 employees in 24 countries and \$1.56 billion in revenues during 2011.

"We are very proud and honored to have Jack Dunn recognized as a Top 25 Consultant, a well-deserved award that reflects his exceptional track record as a trusted advisor and leader in the consulting industry," said Dennis Shaughnessy, chairman of the board of FTI Consulting. "His excellence in leadership and substantial operating and strategic experience has been responsible for driving our firm's unwavering focus on exceptional client service across the globe, as well as our steady long-term growth."

"This award is only possible because of the efforts of my 3,800 spectacular colleagues at FTI Consulting, who are experts in their respective fields and provide gold standard service to our clients every day," said Jack Dunn. "This is an honor for our firm and serves as further motivation to continue helping organizations protect and enhance their enterprise value in the increasingly complex legal, regulatory and economic environment that is today's world."
