EXHIBIT B

Identification and Classification of Subsidiary Which
Acquired Security Being Reported On By the Parent
Holding Company:

IA, a registered investment adviser, acquired "beneficial ownership" of the securities being reported on as a result of its discretionary authority to acquire, dispose and (with respect to certain of such securities) vote the securities being reported on. Under a series of SEC no-action letters, including the letter issued to Warren Buffet and Berkshire Hathaway, Inc. (available December 5, 1986), each Shareholder is considered the equivalent of the parent holding company of IA and is therefore eligible to report his indirect beneficial ownership in such shares on Schedule 13G.
